**Principal’s Message:**

**STUDENT REPORTS**

Student end of semester progress reports will be sent home on the first Wednesday of next term. While the progress report is fresh in the minds of parents, parent/teacher discussions will be conducted in week 3 in the hall. The dates of the evenings will be communicated in a future newsletter.

The progress report is an overview of each student’s academic progress across all subjects of the curriculum. Children are rated from A to E with A being outstanding, B indicating that the result is above the expectations of the year level. Children achieving a C are achieving at the expectations of the year level.

The usual end of term behaviour report will accompany the progress report. The behaviour report provides an overview of how successful each child has been in achieving the twenty indicators of our responsible behaviour plan. These indicators are grouped under the five keys to success – organisation, confidence, persistence, resilience, getting along - which form the basis of behaviour lessons in every class.

**CONGRATULATIONS**

Congratulations to the senior concert band on achieving silver at the Fanfare competition last week. Conductor, Mr Bignell was very proud of the band’s excellent performance.

Congratulations to the junior rugby league team (11 years and under) on winning the Central District premiership last Friday. The team entered the grand final undefeated and won 12 points to 4. The team now goes on to represent the district in the Metropolitan Finals, an elimination competition of all the premiership teams in the four Metropolitan sporting regions. The first week of finals is the elimination final on Friday 25 July, the second Friday of term 3. If the team wins their game against the premiers of Greenbank District, they will then play in the quarter finals on Friday 1 August. Coach, Mr Garrard was ecstatic about the team’s performance and we are all very proud of their achievement.
